Д. –Good afternoon, Ladies and Gentlemen! Welcome you here on our holiday, which is devoted to S`Valentines day.

П.- Valentine`s Day is a special time when people tell each other that they love them, care about them. To celebrate this holiday people send Valentine`s cards with romantic messages and give their sweethearts small gifts.

Д.- We`ll not break this tradition. All of you might post messages to your friends and sweethearts before and during the party. And in the end of our holiday we`ll choose the King of Hearts and...

П.- the Queen of Hearts! Besides, after the party our photographer (имя!) will take photos of the most beautiful pairs.

Д.- So, we`ll start! Iliya, do you know who was S`t Valentine and which legends are connected with S`t Valentines Day?

П.- Oh, Dasha, I definitely heard something about this , but there`s an expert here who has prepared very interesting presentation about S`t Valentines Day. Let`s give him a word.

Слово предоставляется ученику, подготовившему презентацию на тему «Из истории праздника.»

Some people just know
Right from the start,
How to bring joy
To another heart.

So people just know
How to love and to give
And they do such nice things
Every day that they live.

Д.- It`wonderful!And do you know what poetry is usually found inside Valentine`s cards? and to whom are they addressed? And how to send a V`s card correctly?

П.- When you hear music you start to dance, but when the music is over, the boys should find themselves a pair and stand together on one of the hearts! But according to the rules we'll take out hearts one after another! The pair without a heart leave our stage. The winners are those who will stay up to the end! Is this clear? Let's start!
